

# 😊 My Classroom

## I N A X

Well hello!

Thank you for downloading this printable or bundle. **My Classroom In A Box** is a place to find awesome **printables for the classroom and home** and I'm always creating more printables so keep checking back for more .

**My Classroom In A Box** is part of my blog [thecassibox.com](http://thecassibox.com). Check it out, I'd be happy if you dropped by .

### How to Print:

Printing your printables is quick and easy! Follow these simple steps:

#### ◆ Adjust Print Settings

- *Paper Size* - Choose A4 or Letter size, depending on your paper.
- *Fit to Printable Area* - Select "Fit to Page" or "Scale to Fit" if needed.

#### ◆ Choose Paper & Quality - For best results:

- Use regular paper for worksheets or card/cardstock for durable prints.
- Select high-quality print settings for vibrant colors.

### Terms of Use

This product, along with all items from the website, is for personal use only. All designs are the intellectual property of the owner and are protected under the Copyright, Designs and Patents Act 1988. They must not be digitally altered, repackaged, sold, or distributed, and they are not for commercial use. While credit is not required, it is always appreciated.

Your resource is in a special folder. Please click on the link to get the **Pastel Calendar Kit**

**Heya! Life's better Together right. Let's Connect!**

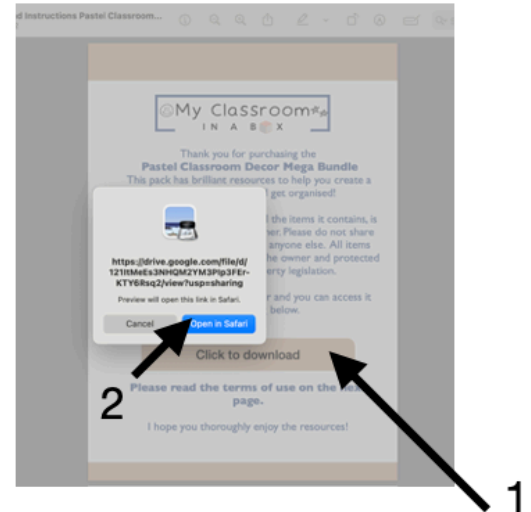

Hey lovely, remember this resource, and all the items it contains, is yours as a thank you for joining the adventure in this corner of the internet. Please do not share this link with anyone else.

# My Classroom IN A BOX

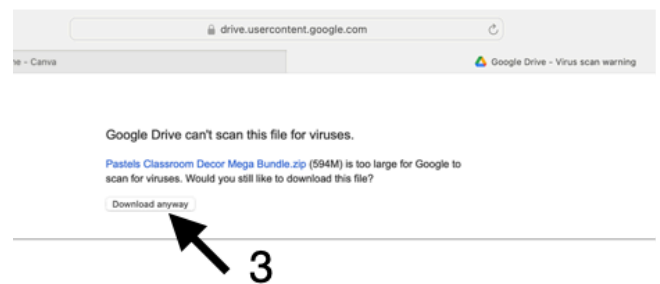

Read this short guide, if you need help downloading your resource.

**Step 1:** Click the download button on the download instructions document.

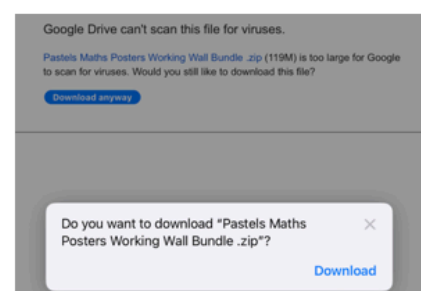

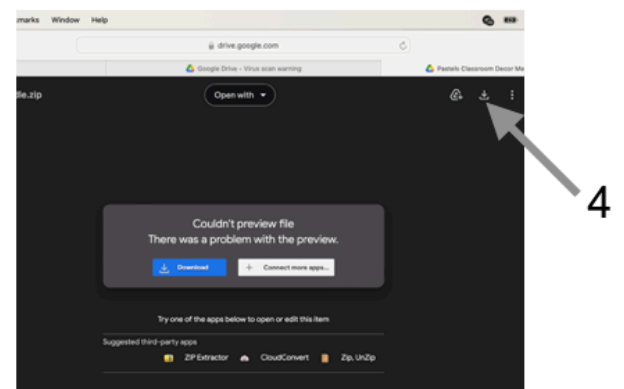

**Step 2:** You will then be given the option to open the link in your web browser. Click open.

**Step 3:** You will then see this message if your file is large. This is normal. Click download anyway.

**Step 4:** Download your file. There are a lot of folders in the file, so there won't normally be the option to preview. Depending on your device, your display may look different. You can download using the blue button or arrow on the right.

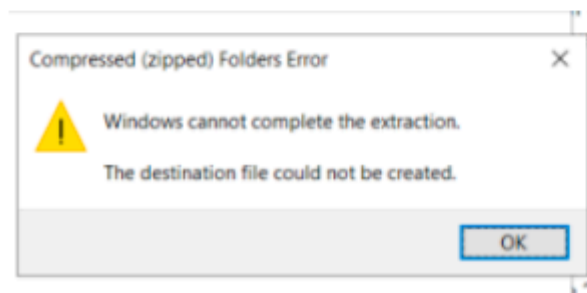

Your download screen could look like this.

**Step 5:** Your file will download to your downloads folder on your computer. Don't forget to unzip the folder, otherwise you will get an error message. You may see "destination file cannot be created" or similar.

To unzip in Windows, double click or right click to "Extract all". Select a folder and click "Extract".

On a Mac, your folder may already be unzipped, if not, double click the file to unzip it.

*If you use a Windows device, you may see a MACOSX folder in your downloaded folder. You can simply delete it. Mac computers, add this backup folder to all zipped folders.*
